Parenting programmes

We have a range of fantastic parenting programmes delivered at various times. You'll meet others in a similar situation in an informal and supportive atmosphere. You don't need a referral from another service, you can simply apply yourself on fyi.bradford.gov.uk or call us.

Our recent parenting programmes include:
Family Links Nurturing – supporting positive parenting and exploring emotional needs behind behaviour. For parents/carers of children 2-13.

Talking Teens - positive parenting and relationship building for parents and carers of children aged 11-18. Covers managing conflict, communicating and more.

Who's in Charge - Parents and primary carers who care for children aged 8 to 18 years of age, who are abusive or violent towards them or who appear out of parental control.

Time out for dads - helping dads build a better relationship with their children.

DICE – a support programme for parents and carers to raise awareness of exploitation.
