Parenting programmes

We have a range of fantastic parenting programmes delivered at various times. You'll meet others in a similar situation in an informal and supportive atmosphere.

This month:

HENRY starting solids – Starting solids is a whole new chapter for you and your baby and it can feel a bit daunting. After this workshop you will be able to spot signs that your baby is ready to start solid food, know when your baby is hungry and when they've had enough, have a range of suggested foods to start with, have lots of ideas about how to make mealtimes an enjoyable experience for both you and your baby.
