Parenting programmes

We have a range of fantastic parenting programmes for parents, carers and teens including online courses that you can access 'on demand', day or night, pause and come back to whenever suits you and groups that you can attend 'live' with other people or families, delivered both online and in person.

You don't need a referral from another service, you can apply yourself on fyi.bradford.gov.uk (select 'parenting programmes pathway') or call us.

Digital Spaces

Do you need data, access to a laptop, or help to get online? Maybe you need to study, apply for a job, a school place or look for housing?

At Barkerend and Gateway Family Hubs, you can access free wi-fi on your own device or book a session to use our computers and quiet space headphones and printing facilities.

We can also give you support with getting online if you need it. Give us a call to book a session, message us on social media or send us an email.

FREE SIM cards

We can now provide 6 months of data to families who need it. For more information please contact us or pop in to Barkerend or Gateway Hubs and see one of our lovely Family Navigators!
