Parenting programmes

We have a range of fantastic parenting programmes for parents, carers and teens including online courses that you can access 'on demand', day or night, pause and come back to whenever suits you and groups that you can attend 'live' with other people or families, delivered both online and in person.

You don't need a referral from another service, you can apply yourself on fyi.bradford.gov.uk (select 'parenting programmes pathway') or call us.

Do you need data, access to a laptop, or help to get online? Maybe you need to study, apply for a job, a school place or look for housing?

At Rainbow Family Hub, you can access free wi-fi, use our computers and quiet space, headphones and printing facilities.

We can also give you support with getting online if you need it. Give us a call, a message on social media or send us an email for more information.
